

»» Pop-Up Berms

Quick and easy deployment with pop-up, built-in folding brackets.

Pop-Up Berm

Featuring pop-up sidewalls this berm is engineered as a single unit, where the interior folding brackets are permanently attached so they cannot be lost or stolen. The sidewalls are easily raised and lowered as an alternative to bracketed solutions, allowing for easy drive-on/drive off.

Constructed with our robust **X-Guard™** fabric, these Pop-up Berms are suitable for most operating environments!

Advantages

- Incredible time saver
- Exceptional durability
- Easy to set up, maintain and dismantle
- Single piece construction
