

Velcro Bag Chemical Spill Kit

Product Description:

This 20 Litre (5 Gallon) clear zip-top bag Chemical Spill Kit is contained in a light weight and is perfect for transporting a quantity of sorbents to the site of a spill. The satchel features high visibility red nylon material with a wipe-clean surface and a velcro fastening flap along with tough webbing handles. Stash them easily behind truck seats or in the toolbox. Great for indoor or outdoor use at construction sites or in off-road applications.

Contents List:
